Take 5 fab autumn breaks

There's no lovelier time for a short break in the UK than in the autumn – and it's one of the best times to find boltholes offering fantastic value, too

An inn for all the family

The White Hart in Somerton, Somerset, is a classic 16th-century inn that's undergone a beautiful 21st-century transformation into a chichi yet cosy pub 'n' restaurant, with eight en-suite rooms. It's totally child-friendly with a good value kids' menu and plenty to do nearby.

BOOK IT Two adults and one child bed/cot from £95pn, or two adults and two children in next-door rooms from £190pn. Both include breakfast. Call 01458 272273, or visit i-escape.com.
