WINE LIST

We want to be original in everything we do,
but we also want you to feel comfortable and at home
so here you'll find what that means to us in a wine list.

Small... So that you can enjoy the company of your friends and don't have to spend hours finding the right wine at the right price from the right area and grape for you.

Diverse... Though not a big list we're keen to make sure that whatever your mood or taste you'll find something to enjoy here. And we've deliberately mixed up some classics in terms of region and grapes, with some of the new or more unusual kids on the wine making block.

By the glass... We want to provide you with the opportunity to enjoy variety of price and style.

Value... We're about finding some great mid-price wines you can enjoy with your mates without it costing the earth. So, you won't be able to spend loads on that sought-after Californian Cab, super Tuscan, Burgundy, or First Growth claret with us but you will enjoy great wines at great prices.

Style... What really rocks our boat is character so when we pick we look for things like purity, style, balance, intensity, elegance. What that means to most people is that the taste is great!

People and Provenance... We like to buy from artisan winemakers who are a world away from big brands and industrial scale wineries. Organic is important but most important is that they do everything they can to minimize carbon output and protect their vineyards for the next generation.

And last but by no means least... We don't have a sommelier but we do have a team of great people serving you who are encouraged to try as many of the wines as possible. So if you're not sure what to order, ask them for their favorites...and do tell them what you think of the wines!

COCKTAILS

Mojito 6.50

A traditional Cuban cocktail, made by muddling mint, lime and sugar as a base, adding Bacardi rum, topped up with soda to create a wonderfully refreshing pre dinner drink.

Cosmopolitan 6.50

Using Absolut Citron makes this classic cocktail have that extra twist, matching it with a splash of Cointreau and finishing it off with cranberry and a squeeze of lime makes the White Hart Cosmo unique.

Bloody Mary 6.50

A standard Boody Mary served with a wonderful difference! Using Black Cow Vodka gives a smooth finish to the spicy big tom, enhanced with a shot of sherry gives it a fabulous boost.

COCKTAILS

Espresso Martini

Something a little bit different, using Kahlua and Frangelico we make that cocktail perfect for that after dinner coffee with a twist or for those not wanting to end the night quite yet.

Old Fashioned

6.50

A wonderful refreshing whisky cocktail, using Bulleit Bourbon and adding bitters and orange peel it's a great twist on a classic whisky.
